Customised Executive Education Programs

Edex Educom offers Customised Programs that are tailored for corporate organisations to enable employees and entrepreneurs to polish and strengthen their leadership skills, widen their perspective and effectively address the business challenges. We work closely with the organisation to design a cohesive customised executive education program, which addresses the organisation's unique goals and challenges. Our collaboration with reputed B-schools & leading institutes gives you access to a high impact & transformational learning environment and ensures that you sustain a competitive edge and achieve profitable growth.

Our faculty members are highly qualified and trained at Harvard, IIMs, and ITP-Europe, with 60% of them bringing 20 plus years of industry experience. The experience and talent of our faculty combine to create world-class teaching excellence, resulting in top-level educational programs and cutting-edge research that extend the frontiers of business knowledge.

How Customisation Helps

- Customised programs address corporate education needs and implements strategic goals.
- Each program is designed to foster personal, career and corporate development.
- It enables participants to widen their perspectives and effectively address individual business challenges
- The customised program is designed cohesively to achieve the organisation's unique goals and challenges
- Our programs offer real-time experiences in order to optimise learning, teaching and discussion, allowing participants to apply this knowledge in an actual work-setting.

Process Flow

Discussions and need Analysis

- Meeting the concerned HR or L&D teams to understand the specific training requirements.
- Undertake exercises like Focus Group Discussions and town halls with prospective participants.

Program Design and Proposal

- Based on the inputs gathered, Management Development Centre (MDC) designs a program post consultation with trainers.
- The program is sent as a proposal to the client.

Program Finalisation and Delivery

- After further discussions and deliberations, the program is finalised.
- The program is then delivered to the participants.

Feedback

- As a standard process, the feedback is taken for all programs and necessary changes are made (either in the course of the sessions or in subsequent modules as needed).
