WHY EDEX

Retain the Institute's Original DNA

The Edex Methodology ensures that, though transformative, the initiatives are in synergy with the institute's vision and cultural essence. The institute evolves as per the requirement yet retains its originality and core DNA.

Tailor-Made, Result-Oriented Interventions

The focus of all six interventions is on creating value by improving and updating existing work systems, and implementing vision-driven activities that elevate the brand. This results in better ratings for the institute, increased industry engagement, and attractive placement packages for students

Measured Outcomes

These interventions focus on measurable value creation: Revenue Model, Industry Alignment, Process and Development Excellence, and brand Power. This results in attracting top-of-the-line employers, improved student intake-mix, industry-aligned academic processes, and a stronger fee structure.
